

2010 BROWN LEDGE CAMP CELL PHONE INFORMATION FORM

Campers are not allowed to have cell phones at Brown Ledge. In recent summers, cell phones have found their way into Brown Ledge through various means and have negatively affected focus on the camp program and the adjustment to camp for some girls. **We ask that all parents speak with their daughters about our cell phone policy and help us assure that no campers have cell phones at camp.**

Any camper who is traveling to camp by plane or bus, and is unaccompanied by an adult, may carry a cell phone for safety purposes. Upon arrival at camp, she is asked to immediately bring her phone to the office for safekeeping.
