

2010 Store Expenditure Form

Camper Name: _____

Brown Ledge has a camp store which sells a variety of items such as snacks, drinks, postage, bug spray, etc. Also items such as photo finishing can be ordered from town. Parents establish a debit account with which campers may make purchases and withdraw small amounts of cash, if needed. We recommend funding this account at \$60.00 for those attending for 4 weeks and \$120 for those attending for 8 weeks, *however we leave funding totally to parents' discretion.*

Parents have a variety of philosophies regarding expenditure limits at the store. Some feel that the initial amount established is sufficient and ask that their daughters not exceed this amount. Others feel that it is permissible to exceed the initial amount if necessary. Our experience is that while campers may do a good job of budgeting, unanticipated costs such as photo finishing may put them over their limits.

To open your daughter's store account, please return initial funding along with this form.

Enclosed please find Store funding in the amount of \$_____.
